

Dear Exhibitors,

You are cordially invited to join us for the Louisiana Association of Health, Physical Education, Recreation and Dance Convention (LAHPERD) in Baton Rouge, Louisiana for our 90th annual convention. This statewide convention serves as the premier event for HPERD's professionals from across the state. Participants include physical education, health, recreation, sport, and dance educators; administrators; college and university faculty; coaches; and other Health, Physical Education, Recreation, and Dance professionals. Members of Louisiana Association for Health, Physical Education, Recreation, and Dance come together each year for professional growth and to see the latest and most varied products and services in their fields. They come to BUY!

We expect 450 attendees and have made provisions for the exhibit area to be in the main area of activity. Commercial exhibit booths will have priority placement. The exhibitors are invited to be involved in all convention socials and activities. Exhibitors will have a light pastry breakfast Thursday and Friday in the Exhibit Hall.

LAHPERD is a voluntary, non-profit organization established in 1934. The goal of our organization is to improve the quality of life through health and fitness activities. LAHPERD's membership consists of teachers, coaches, administrators, dance instructors, recreation supervisors, fitness directors, college students, and allied health professionals from sixty-four parishes and twenty-four universities throughout the State of Louisiana.

Please contact me if more information is needed. As LAHPERD exhibit manager, I look forward to working with you. Thank you for your consideration and support. We look forward to seeing you at our convention.

Sincerely,

Joanna Faerber
